Title: Ultimate Picture Frame
App Number: 10/721,534
Filing Date: 11/26/03

Attention Examiner/Gary C. Hoge,

In response to your request for clarification of the "Disposition of Claims", mailed June 6 2005. I elect species II, Fig E to be the distinct species of the claimed invention. The species include claims 1-10, describing the flexible wand to be mounted with a suction cup device.

Thank you for your cooperation and please contact me with any other questions or concerns.

Certificate of Mailing
